RECONSIDERATION OF PATENT TERM ADJUSTMENT

This decision is in response to Applicants' <u>APPLICATION FOR RECONSIDERATION UNDER 37 CFR 1.705(b)</u> timely¹ filed on February 21, 2006 requesting that the Office reconsider the PTA determination and adjust the PTA determination at the time of th mailing of the notice of allowance from a determination of zero (0) days to a determination of (

Applicants request for PTA reconsideration is DISMISSED.

Applicants assert that the Office engaged in 589 days of delay and applicants engaged in 145 days of delay. Accordingly, applicants allege that the proper amount of delay is 444 (589-145=444).

Applicants' submission is not persuasive because this application is not eligible for PTA. Accordingly, the grounds of Office delay and applicant delay enumerated in 37 CFR 1.702-1.705 are not applicable to this application. Rather, the only grounds in which the applicants may receive administrative delay are enumerated in 37 CFR 1.701.² This application is not eligible for PTA because the filing date of the application (January 31, 2000) was filed prior to May 29, 2000.

Request for reconsideration of PTA was filed prior to/or with payment of the issue fee.

²Under PTE, applications filed between June 8, 1995 and May 28, 2000, applicants not assessed any reductions against patent term but the grounds in which applicants may receive additional term are limited.

After the mailing of this decision, the Office will forward this application to the Office of Patent Publications for a prompt issuance of the application into a patent.

The Office has assessed the \$200.00 fee. No additional fees are required by applicants.

Any questions relating to this decision should be directed to Kery A. Fries, Office of Patent Legal Administration, at 571-272-7757.
